## II. Statement of Claim:

State as briefly as possible the facts of your case. Describe how each of the defendants named in the caption of this complaint is involved in this action, along with the dates and locations of all relevant events. You may wish to include further details such as the names of other persons involved in the events giving rise to your claims. Do not cite any cases or statutes. If you intend to allege a number of related claims, number and set forth each claim in a separate paragraph. Attach additional sheets of paper as necessary.

A. In what institution did the events giving rise to your claim(s) occur?

"Samaritan Village-Van Wyke"

B. Where in the institution did the events giving rise to your claim(s) occur?

Thru out the facility Most of the events occurred on the 1st Flr. of the facility. This is the main Flr.

C. What date and approximate time did the events giving rise to your claim(s) occur?

I first entered the said facility on March 2, 2011 yet most of the events occurred sometime on or during the 1st of April thru May 27th 2011.

On or about at least eleven times, a said Harry Scott, assistant director of said facility (Samaritan Village - Van Wyck) and a said counselor there (last name unknown at this time) combined on separate occasions, verbally harassed me, stating sexual obscenities like "Suck Dick" and a sexual oriented epitaph such as "Learn to do favors!"

D. Facts:

What happened to you?

Who did what?

Was anyone else involved?

Who else saw what happened?

while I was mandated there thru the Brooklyn Treatment court 320 Jay St Bklyn. N.Y. 11201 a Judge Ferdinand Presiding. These two persons would state these "epitaphs" starting on or about April 1st until my discharge on or about May 27th 2011. These words would be said under their breath in such a way so as not to be overheard by anyone else as they would pass me thru the halls of the said facility or I would happen to pass them, given no one was around directly enough to hear them. The said Harry Scott always stating "learn to do favors" referring to a time I had asked him for a few minutes of his time in reference to a problem I was having with another client there a Mr. Muhammad, who kept bumping up upon my "rear end" at every house meeting we would have which would be at least three times a day. This person somehow would seem to be sitting behind me at all these house meetings and would harass me in such a manner during the meetings by slightly bumping up behind my chair, or either put his feet under my chair and like lay his feet upon my ~~feet~~ feet, like he was flirting with me or something. This was an everyday event as well as the intentional bumping up upon my rear end trying to act like he was doing this by accident, at least during the whole month of April and probably thru parts of May!

III. Injuries:

If you sustained injuries related to the events alleged above, describe them and state what medical treatment, if any, you required and received. (continued on back Pages)

As treated At NYC-Doc Mental Health - Rikers Island  
Depression, Anxiety, Stress, undue stress  
Hyper-tension, stress disorder (Post-traumatic) loss of freedom  
interference of daily commerce, loss of income, loss of property

IV. Exhaustion of Administrative Remedies:

The Prison Litigation Reform Act ("PLRA"), 42 U.S.C. § 1997e(a), requires that "[n]o action shall be brought with respect to prison conditions under section 1983 of this title, or any other Federal law, by a prisoner confined in any jail, prison, or other correctional facility until such administrative remedies as are available are exhausted." Administrative remedies are also known as grievance procedures.

A. Did your claim(s) arise while you were confined in a jail, prison, or other correctional facility?

Yes ☐ No ☒

I now believe that this Muhamed person, was in cahoots with the said Harry Scott ~~person~~, citing as the said Muhamed person seemed to be making extreme forward progress in the said program and began working for the said Harry Scott person on or about the beginning of April exclusively in Harry Scott's office, while at the same instance coincidentally this is when the problems began between myself and this Muhamed person. Also I would like to state that this instant forward progress this Muhamed person seemed to be making in the program which included special privileges like if a person (client) put in a complaint slip on him which I had also did on several occasions, these complaint slips or client infractions clients can give each other, seemed to be overlooked in the case of this Muhamed person. It also seemed that though this Muhamed person could not speak proper English correctly and entered the program sometime way after myself and a few other english speaking clients sure seemed to be progressing faster than these other clients as well as myself! I mean speaking clear and proper english in such a setting or position in which he was put in where other clients would have to ask of his assistance and where your giving other clients so called orders, would seem to be the proper qualifications for a person who only seemed to be making forward progress faster than clients who speak clear and proper english and who were in the program at least a few weeks before this said Muhamed person, seemed quite strange at least as far as I'm concerned.

So on or about April 17th I had the said Harry Scott for a few minutes of his time as to speak with him concerning the problem I was having with the said Muhamed client.

after dropping a few slips on the said Muhamed person as stated a few lines ago in this paragraph. The said Harry Scott then brushes me off stating that he only had time to speak with me if and only if I knew how to do favors. In which I responded with "what's that supposed to mean?" He then responds with "U know favors" in a manner I felt ~~spelt~~ sexual overtones. I then responded "I don't do favors" (citing that I've had past experiences with these kind of overtones) and walk off.

I also would like to state that I feel the said Harry Scott put this client the said Mr. Muhamed ~~and another client~~ ~~said John Doe~~ Up to another incident in which I cited the said client Muhamed leave the said Harry Scott's office after a house meeting on or about the night of May 1st 2011, walk up behind me as I spoke with a female client ~~and~~ as we strolled past the office of the said Harry Scott. The said client Mr. Muhamed walked up behind me, (with all but enough space to walk around us) and purposely bump up upon my rear end, in such a manner I felt was of a sexual hidden Agenda. Since I felt he also set out to try to embarrass me in the sights of the female client and the other clients around at the time, I told him about himself and the next thing I was being brought up on threatening charges by the said client Muhamed and the said Harry Scott.

①

Carlos (Doe) a said counselor at the said facility combined with the harassing comments of his assistant director a said Harry Scott both on separate occasions verbally harassed me with sexual comments that I feel were sexually harassing on at least eleven occasions (combined). The said Carlos (Doe) would just about every time we would pass each other, in the hall of the said facility, when and if no-one was in the vicinity, would comment under his breath as he would pass in ("Suck Dick") or I pass him. This I feel was brought on by an incident in which I was participating in a group or class he was giving where he unprofessionally went of his way (I feel!) to single me out, stand directly behind me, as I sat in my chair and basically had his private parts, touching up against my back! Once I let him know that I didn't take kindly, to him standing behind me in such fashion he then, purposely stepped from behind me, stepped on the side of me (which side first I'm not sure) then proceeded to turn

towards me (as I sat) until his private parts were basically at my face and eye level, so as if I were to turn my face in his direction (mind I'm facing forward) I would have had my face directly inches away from his private parts! I again politely complained about my uncomfortableness with him standing so close and in my presence in such a fashion when there was plenty of room in the middle of the class or group. (since the chairs were set in circular form) He just walked to the other side of me, and stood in the same fashion as before! When I told him the same thing again and that I felt he was being improper and unprofessional in light of all the space in the middle of the group and that I felt by him addressing the class from the middle of the circle showed lack of discipline on his part! He then pulls a reverse psychology move, storms out the room to Mr. Harry Scott's office, stating I was out of

Place for calling him out in front of the class or group like that. Then he and Harry Scott have me placed out of the class, has me sit in the hall, feel the wall (on the first flr of facility) so as to embarrass me in front of the other clients as well as staff. This incident happened sometime between April & May if not towards the end of March!

Lastly upon the month of May, I was discharged from the said facility after another client started a fight with me after he runs up on me after leaving the said Harry Scott's office (I was pulling fire guard sitting not far from his office) (Harry Scott was present at the time of this incident, consider and kisses me on my lips. Mind, Clients and staff saw this and so I push him out my face, holding back my instincts to punch this guy, yet as soon as I push this client out of my face, Harry Scott just happens to be standing at the entrance of his office (again on the first flr.) Discharges me stating that I broke physical (an unwritten rule at said facility) yet he says nothing of the fact that this client (John, Doe) caused a loud disturbance as he leaves his office, runs up on me as if he was gonna attack me, then kisses me on the lips! (Breaking physical, first HHP?)

Case 1:12-cv-00141-AMP Document 2 Filed 03/21/12 Page 8 of 13  
I now believe that the client or said (John Doe) (I'm sure Harry Scott knows his name!) was in cahoots with the said Harry Scott, and possible the said Carbs (Doe) also, citing I could have sworn that I saw the said Carbs person as all the commotion erupted!

This last incident occurred sometime on or before May 27, 2011.

Also, I spoke with a Mr. Koronos (B7) <sup>296</sup><sub>1070</sub> my legal counselor thru the Brooklyn Treatment courts. I spoke with him on a few occasions about what I felt was the sexual impropriety going on there at the said "Samaritan Village" - Van Wyke Treatment Center, perpetrated by a few staff members, as well as a few clients. On one occasion he had me speak with his supervisor at the time a Susan Stungeses. I spoke with her and him about the same improper behaviors going on there and how it was making me feel uncomfortable. I didn't get into detail as in this report for the reasons stated on pages 3, 4, 5, 6.
